Key Approaches

Transparency

- More information (broadening scope of documents made public)
- Available sooner (one week prior to meetings/call for comments)
- To a wider audience (website, opening scope of civil society networks, logistics)

Accountability PEPFAR

- POART process
- COP process
- Documentation of partner involvement (sign-in sheet)
- Creating safe-spaces for key populations

Accountability Civil Society

- Participation selection process
- Logistics support
- Sign-in Sheet

Solution-driven

- Achieving epidemic control in Zambia
- PEPFAR small grants
